UNITED STATES GOVERNMENT RESTRICTED RIGHTS

This software and documentation are provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 and in applicable FAR provisions: Lexmark International, Inc., Lexington, KY 40550.

Statement of Limited Warranty

**Lexmark International, Inc.,
Lexington, KY**

This warranty applies to the United States and Canada. For customers outside the U.S. and Canada, refer to the country-specific warranty information that came with your printer.

Lexmark™X73 Scan/Print/Copy

This Statement of Limited Warranty applies to this product if it was originally purchased for your use, and not for resale, from Lexmark or a Lexmark remarketer, referred to in this statement as "Remarketer."

Warranty

Lexmark warrants that this product:

- Is manufactured from new parts, or new and serviceable used parts, which perform like new parts
- Is free from defects in material and workmanship
- Conforms to Lexmark's official published specifications
- Is in good working order

If this product does not function as warranted during the warranty period, contact a Remarketer or Lexmark for repair or replacement (at Lexmark's option) without charge.

If this product is a feature or option, this statement applies only when that feature or option is used with the product for which it was designed. To obtain warranty service, you may be required to present the feature or option with the product.

If you transfer this product to another user, warranty service under the terms of this statement is available to that user for the remainder of the warranty period. You should transfer proof of original purchase and this statement to that user.

Warranty service

The warranty period is 12 months and starts on the date of original purchase as shown on the purchase receipt.

To obtain warranty service you may be required to present proof of original purchase. Warranty service will be provided at a Remarketer or a Lexmark designated location. You may be required to deliver your product to

the Remarketer or Lexmark, or ship it prepaid and suitably packaged to a Lexmark designated location. You are responsible for loss of, or damage to, a product in transit to the Remarketer or the designated location.

When warranty service involves the exchange of a product or part, the item replaced becomes the property of the Remarketer or Lexmark. The replacement may be a new or repaired item. The replacement item assumes the remaining warranty period of the original product.

Replacement is not available to you if the product you present for exchange is defaced, altered, in need of a repair not included in warranty service, or damaged beyond repair. Also, such product must be free of any legal obligations and restrictions.

Before you present this product for warranty service, remove all programs, data, and removable storage media.

For further explanation of your warranty alternatives and the nearest Lexmark authorized servicer in your area, please contact Lexmark at 1-800-539-6275, or on the World Wide Web at www.lexmark.com.

Free remote technical support is provided for this product throughout its warranty period. For products no longer covered by a Lexmark warranty, technical support may only be available for a fee.

Extent of warranty

We do not warrant uninterrupted or error-free operation of a product.

Warranty service does not include repair of failures caused by:

- Modification or attachments
- Accidents or misuse
- Unsuitable physical or operating environment
- Maintenance by anyone other than Lexmark or a Lexmark authorized servicer
- Operation of a product beyond the limit of its duty cycle
- Failure to have installed a maintenance kit as specified (if applicable)
- Use of printing media outside of Lexmark specifications
- Use of other than Lexmark supplies (such as toner cartridges, inkjet cartridges, and ribbons)

- Use of other than Lexmark product or component

ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES, EXPRESS OR IMPLIED, WILL APPLY AFTER THIS PERIOD.

Limitation of liability

Your sole remedy under this Statement of Limited Warranty is set forth in this section. For any claim concerning performance or nonperformance of Lexmark or a Remarketer for this product under this Statement of Limited Warranty, you may recover actual damages up to the limit set forth in the following paragraph.

Lexmark's liability for actual damages from any cause whatsoever will be limited to the greater of 1) \$5,000 or 2) the amount you paid for the product that caused the damages. This limitation of liability will not apply to claims by you for bodily injury or damage to real property or tangible personal property for which Lexmark is legally liable. In no event will Lexmark be liable for any lost profits, lost savings, incidental damage, or other economic consequential damages. This is true even if you advise Lexmark or a Remarketer of the possibility of such damages. Lexmark is not liable for any claim by you based on a third party claim.

This limitation of remedies also applies to any developer of materials supplied to Lexmark. Lexmark's and the developer's limitations of remedies are not cumulative. Such developer is an intended beneficiary of this limitation.

Additional rights

Some states do not allow limitations on how long an implied warranty lasts, or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions contained above may not apply to you.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

Federal Communications Commission (FCC) Compliance information statement

This product complies with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. Refer to the online *User's Guide* for additional compliance information.

Safety information

- Use only the Lexmark power supply provided with this product or an authorized Lexmark replacement power supply.
- Connect the power cord to an electrical outlet that is near the product and easily accessible.
- Refer service or repairs, other than those described in this manual, to a professional service person.

–ENERGY STAR

The EPA ENERGY STAR Computers program is a partnership effort with computer manufacturers to promote the introduction of energy-efficient products and to reduce air pollution caused by power generation. Companies participating in this program introduce personal computers, printers, monitors, or fax machines that power down when they are not being used. This feature will cut the energy used by up to 50 percent. Lexmark is proud to be a participant of this program. As an ENERGY STAR Partner, Lexmark International, Inc. has determined that this product meets the ENERGY STAR guidelines for energy efficiency.

Copyright advisory

Lexmark's scanners and printers represent the state-of-the-art in affordable imaging technology, but just because they make it technically possible for you to create exact copies of documents, pictures, and the like does not mean you should. Many works are protected from unauthorized copying by U.S. and international copyright law as well as other laws and regulations. It may be illegal to copy certain materials without permission or license, including such things as documents, pictures, and other images, currency, traveler's checks, money orders, negotiable instruments, postage stamps, passports, immigration papers, social security cards, food stamps, selective service documents, birth certificates, and/or checks drawn on governmental accounts. If you are unsure about whether you have permission, seek legal advice.

For more information

This book provides basic information about copying, scanning, printing, troubleshooting, and creating fun projects. The online *User's Guide* provides detailed information about these tasks.

Insert CD 1 into your CD-ROM drive to access the online *User's Guide*.

Setting up your printer

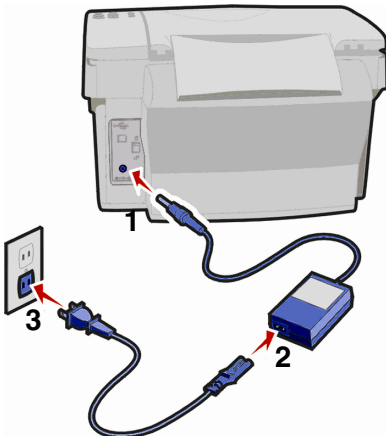

- 1** Unpack the printer.
Your power supply may be different than the one shown.

- 2** Unlock the scanner bed.

- 3** Connect the power supply.
Windows: Connect the USB cable during software installation.
Macintosh: Connect the USB cable now.

- 4** Press the Power button.
Apply an overlay (in another language) to the operator panel, if desired.

5 Raise the paper support.

6 Load the paper.
Do **not** push the paper down into the printer.

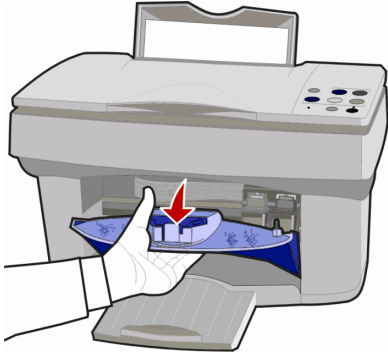

7 Squeeze and slide the paper guide to the left edge of the paper.

8 Extend the paper exit tray.

- 9** Open the cartridge door.
The cartridge carrier moves to the load position.

- 10** Remove the sticker and transparent tape from the cartridges.

Warning: Do **not** touch the gold contacts.

- 11** Place the cartridges into the carrier. Push back on the cartridges until they **snap** into place.

12 Close the cartridge door.

13 Insert CD 1 into your CD-ROM drive.

14 Click Install Now for Windows installation.

Click Install and Agree for Macintosh installation.

15 Follow the instructions on your computer screen to install the printer software, scanner driver, and printer driver.

To install additional software, insert your CD and click the button on your computer screen.

Using the operator panel

Your printer operator panel has buttons that let you scan, print, copy, and customize your documents. It also has a Status light that indicates errors and a Power light that indicates the power is on.

#	Press...	When you want to...
1	Setup	Adjust your copy and scan settings using the Scan & Copy Control Program.
2	Scan	Scan an image and send to a software application.
3	Color	Copy an image in color.
4	Black	Copy an image in black and white.
5	E-mail	Scan an image and send as an e-mail message.
6	Fax	Scan an image and send as a fax.
7	Paper Feed	Eject or load a sheet of paper from your printer.
8	Power	Turn your printer on or off.

Scanning

Scan using the printer operator panel

- 1 Make sure your computer and your printer are turned on.
- 2 Open the top cover.
- 3 Place your document face down on the scanner bed in the bottom, right corner.

- 4 Close the top cover.
- 5 Press the button that matches the destination of your scan:
 - **Scan** to send a scanned image to a software application.
 - **E-mail** to send a scanned image as an e-mail attachment.
 - **Fax** to send a scanned image as a fax.

Scan using the printer software

- 1 Make sure your printer is turned on.
- 2 Open the top cover.
- 3 Place your document face down on the scanner bed in the bottom, right corner.
- 4 Close the top cover.
- 5 Access the Scan & Copy Control Program.

- **For Windows:**

Select Start ▶ Programs ▶ Lexmark X73 ▶ Scan & Copy Control Program

- **For Macintosh:**

Select the Scan & Copy Control Program icon from your desktop.

- 6 Scan the document.

- **For Windows:**

Click the button that matches the destination of your scan.

- **For Macintosh:**

Select Scan Now.

Printing

Windows

- 1** From your software application File menu, select Print.
- 2** To change the printer settings, click Properties or Printer Preferences.
- 3** From the Print dialog box, click OK or Print (depending on the application).

Macintosh

- 1** From your software application File menu, choose Print...
- 2** Change settings, as needed, and then choose Save Settings.
- 3** Select Print.

Copying

Copy using the printer operator panel

- 1 Make sure your computer and your printer are turned on.
- 2 Open the top cover.
- 3 Place your document face down on the scanner bed in the bottom, right corner.

- 4 Close the top cover.
- 5 Press Color or Black.

Copy using the printer software

- 1 Make sure your printer is turned on.
- 2 Open the top cover.
- 3 Place your document face down on the scanner bed in the bottom, right corner.
- 4 Close the top cover.
- 5 Access the Scan & Copy Control Program.

- **For Windows:**

Select Start ▶ Programs ▶ Lexmark X73 ▶ Scan & Copy Control Program

- **For Macintosh:**

Select the Scan & Copy Control Program icon from your desktop.

- 6 Make a copy of your document.

- **For Windows:**

Click Copy.

- **For Macintosh:**

Select Copy Now.

Creating projects

You can create projects using the scan, print, and copy features of your printer. Use the instructions on this page to create a wedding program. See page 14 for more creative ideas.

Create a wedding program

- 1** Place a fresh flower or another object on the scanner bed and cover it with a sheet of paper.
- 2** Scan the flower or object into an image editing program.
- 3** Personalize your wedding program with text.

You may want to include the wedding date, the location, the ceremony time, the attendants' names, details of the ceremony, and a favorite quote to complete the program.

- 4** Print your wedding program.

To print your wedding program as a booklet or as a two-sided document, refer to the online *User's Guide*. To access the online *User's Guide*, see page 1.

More fun projects...

- Create a scrapbook page.
- Print canning labels.
- Restore old photographs.
- Scan a photograph and e-mail it to a friend.
- Make color copies of a child's artwork to send to friends and relatives.
- Create personalized recipe cards.
- Print business cards, letterhead, and envelopes.
- Enlarge or reduce needlepoint or woodworking patterns.
- Print refrigerator magnets.

Refer to the online *User's Guide* instructions to create these projects and much, much more. To access the online *User's Guide*, see page 1.

Troubleshooting

When your printer has a problem, first make sure:

- The power supply is plugged into your printer and an electrical outlet.
- The USB cable is securely attached to your computer and your printer.
- Your computer is turned on.
- Your printer is turned on.
- The sticker and transparent tape covering the bottom of the cartridge are removed.

If the status light on your printer is blinking, there may be a paper jam, the printer may be out of paper, or the cartridge carrier may have stalled. For help, see the following topics:

The printer may have a paper jam

Remove the paper from the printer. If the paper is lodged too far into the printer and cannot be removed:

- 1** Press the Power button to turn the printer off.
- 2** Pull firmly on the paper to remove it.

If you cannot reach the paper because it is too far into the printer:

- a** Open the cartridge door and pull the paper out.
 - b** Close the cartridge door.
- 3** Press the Power button to turn the printer on, and then send your document to print.

The printer may be out of paper

If the Power light is on and the Status light is blinking, your printer may be out of paper.

- 1** Load paper.
- 2** Press the Paper Feed button.

Note: If the printer has a paper jam, see page 15 for help.

The cartridge carrier may have stalled

If the Power light blinks twice, the cartridge carrier may have stalled. Check your computer screen for error messages.

- 1** Turn the printer off.
- 2** Wait a few seconds, and then turn the printer back on.

If your printer is still experiencing a problem, see the online *User's Guide* for detailed troubleshooting information. To access the online *User's Guide*, see page 1.
