

Product Information Update

This Product Information sheet supersedes all previous instructions for ordering a transfer belt found in the *User's Guide*. When ordering a transfer belt, see the following instructions.

Ordering supplies

To order supplies in the U.S., contact Lexmark at 1-800-539-6275 for information about Lexmark authorized supplies dealers in your area. In other countries or regions, visit the Lexmark Web site at www.lexmark.com, or contact the place where you purchased the printer.

Note: All life estimates for printer supplies assume printing on letter- or A4-size plain paper.

Ordering a transfer belt

When **Transfer belt life warning** appears, replace the transfer belt soon. Make sure one is on order.

When **Replace Transfer Unit** appears, replace the transfer belt immediately. For installation information, see the documentation that came with the transfer belt.

Note: Because transfer belt life is affected by environment, duty cycle, and toner coverage, actual page count at the end of life may vary.

Part name	Part number
Transfer belt	40X1401
