* Depending on the printer setup, this menu appears as Standard Network, Wireless Network, or Network [x].

Understanding the home screen

When the printer is turned on, the display shows a basic screen, referred to as the home screen. Use the home screen buttons and icons to initiate an action.

Note: Your home screen, icons, and the buttons may vary depending on your home screen customization settings, administrative setup, and active embedded solutions.
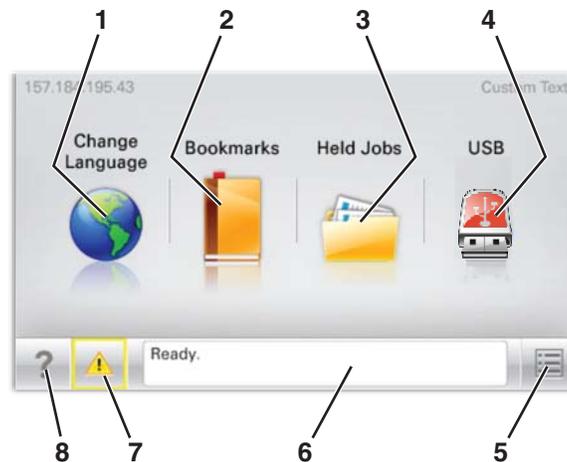

Touch		To
1	Change Language	Change the primary language of the printer.
2	Bookmarks	Create, organize, and save a set of bookmarks (URLs) into a tree view of folders and file links.
		Note: The tree view does not include bookmarks created within **Forms and Favorites**, and the ones in the tree are not usable from within **Forms and Favorites**.
3	Held Jobs	Display all current held jobs.
4	USB or USB Thumbdrive	View, select, or print photos and documents from a flash drive.
		Note: This icon appears only when you return to the home screen while a memory card or flash drive is connected to the printer.
5	Menus	Access printer menus.
		Note: These menus are available only when the printer is in the `Ready` state.
6	Status message bar	• Show the current printer status such as `Ready` or `Busy`.
		• Show printer conditions such as `Fuser missing` or `Cartridge Low`.
		• Show intervention messages and the instructions on how to clear them.
7	Status/Supplies	• Display a warning or error message whenever the printer requires intervention to continue processing.
		• Access the messages screen for more information on the message, and how to clear it.
8	Tips	Open a context-sensitive Help information on the touch screen.

This may also appear on the home screen:
