Information guide

Help menu

The Help menu consists of a series of Help pages that are stored in the multifunction printer (MFP) as PDF files. They contain information about using the printer and performing various tasks, including copying, scanning, and faxing.

English, French, German, and Spanish translations are stored in the printer.

Other translations are available on the Lexmark Web site at **www.lexmark.com**.

Menu item	Description
Print All Guides	Prints all the guides
Copy Guide	Provides information about making copies and changing settings
Fax Guide	Provides information about sending faxes using fax numbers, shortcut numbers, or the address book, and about changing settings
E-mail Guide	Provides information about sending e-mails using addresses, shortcut numbers, or the address book, and about changing settings
FTP Guide	Provides information about scanning documents directly to an FTP server using an FTP address, shortcut numbers, or the address book, and about changing settings
Print Defects Guide	Provides help in resolving repeating defects in copies or prints
Information Guide	Provides help in locating additional information
Supplies Guide	Provides part numbers for ordering supplies

Setup sheet

The *Setup* sheet packaged with the printer provides information about setting up the printer.

Software and Documentation CD

The *Software and Documentation* CD packaged with the printer includes a *User's Guide*. The *User's Guide* provides information about loading paper, printing, ordering supplies, troubleshooting, clearing jams, maintaining the printer, customizing the home screen, and using solutions.

For updates, check our Web site at **http://support.lexmark.com**.

Home screen customization and using solutions

For information about customizing your home screen and using solutions, see the "Setting up and using the home screen applications" section in the *User's Guide*.

Additional language support

The *User's Guide*, *Quick Reference*, and *Networking Guide* are available in other languages on the *Software and Documentation* CD.
